

Congratulations to Dr Joshua Burns

We extend our congratulations to Dr Joshua Burns PhD, B App Sc (Pod) Hons, NHMRC Australian Clinical Research Fellow.

He has been awarded a 2009 Fulbright Postdoctoral Scholarship to carry out research in the United States later this year. The Chargé D'Affaires of the U.S. Embassy, Mr Daniel Clune, and the Premier of Tasmania, the Hon. David Bartlett MP, presented the 2009 Fulbright Scholars at the Annual Fulbright Presentation Dinner at Moorilla Estate in Hobart last week: www.fulbright.com.au/events-and-media/media-releases/MediareleaseAustralian2009.html

Details of Joshua's research plan and his United States host are here: www.fulbright.com.au/scholars/australian-scholars/current/Burns.html

This is excellent news for CMT awareness and research.
